

G-TEK[®] HYDRUS[®] GK270

15G GP DUAL 3/4 DIP GLOVE

PRODUCT CODE: 34-3015_[SIZE]

G-Tek[®]
BY **PIP**

HYDRUS

GP

FEATURES

- » Seamless knit 15 gauge nylon liner maintains comfort and dexterity from the first use
- » 270° flat nitrile coating protects the knuckles, while leaving the lower hand and wrist open for enhanced breathability and comfort
- » Additional palm layer of next generation G² nitrile foam improves grip and durability, outperforming sandy or microfoam nitrile, PU and latex in all environments
- » 26cm length offers extra protection to the wrists from dirt and liquids
- » Tested for contact heat Level 1, providing protection up to 100°C
