SCOPE
BY PIP

AC100

AC500

PRODUCT DESCRIPTION

The Aqua Clean Plus pre-moistened wipes offer a premium cleaning and sanitizing solution for all types of lenses on eye-wear and solid surfaces. The alcohol and silicone-free formula with added anti-bacterial properties ensure optimum performance and a safe and effective clean each time.

- Water based formula
- Alcohol, silicone and ammonia free safe for use on all optics
- Anti Bacterial
- Anti Static properties repel dust and airborne particles
- Anti Reflective formula keeps glasses streak and residue free
