

CHAINEX

Chainextra Sleeves

Product description

The ChainExtra range combines safety, quality and comfort, protecting against cuts, a common hazard in the meat and processing industries. ChainExtra is a fully reversible product range, and is equipped with heavy duty adjustable straps and press stud fastening.

FEATURES

- Detachable and Interchangeable plastic straps with antimicrobial agent. Straps are notched so buckles can not slide.
- Damaged straps can be changed over quickly and easily.
- Firm fastening for a secure fit every time. There is no side slit which may allow a knife to enter at wrist level.
- Fitted with an identification tag which can be personalized by the wearer.
- Each glove is identified by a unique number for traceability and record keeping.
- Exceptional quality of chain mesh welds, reducing the number of repairs, and increasing the life time of the glove.
- Protection for hand up to top of shoulder.

APPLICATIONS

- Metal works
- Meat processing lines
- Kill floors
- Meat deboning
- Poultry works
- Fish processing
