

Chainexlite® Apron

Product description

As the lightest chain mail protection on the market, the Chainexlite offers users with level 2 stab protection. The ring diameter guarantees high resistance against perforation using narrow knives.

FEATURES

- Approved to level 2 protection.
- Extremely comfortable and lightweight.
- Quick and easy fastening plastic straps offer multiple attachment points and a non-slip plastic adjustment for long term wear.
- The chain mesh provides optimal hygiene.
- The integrity and weld quality of the chain mesh ensures that these aprons and tunics are resistant to damage, and ensures a longer working life.

APPLICATIONS

- Food Handling
- Food processing
- Meat and poultry industries
- Restaurants
- Paper Industries
- Commercial fishing and canning.
