

Leight Source 500 Pair Earplug Dispenser

Product description

The original Leight Source 500 pair earplug dispenser has stood the test of time. This permanent hearing protection source is made from robust aluminium construction, making it perfect for use over, and over again. The LS-500 earplug dispenser saves time, waste and space.

FEATURES

- Heavy duty anodized aluminium construction withstands constant use.
- Mount on wall for easy access.
- Crank handle to dispense earplugs.
- Ideal for large factories and process industries that have a zero tolerance for packaging waste.
- Maintains superior hygiene since earplugs are never touched until dispensed.
- Refill boxes accommodate 500 pairs of earplugs at a time (eliminating packaging waste).
- Suits: Max, Max Lite, Laser Lite and Firm Fit earplugs in bulk refills.

APPLICATIONS

- Warehouses
- Processing industries
- Large factories
- Workshops
- Anywhere there is a zero tolerance for packaging waste.
