

300 Series

Product description

Single-use shouldn't mean single choice. Howard Leight offers a comprehensive choice of Single-Use earplugs that include the comfort features your employees deserve, plus the highest SLC80 ratings available. An economical choice for work situations that demand a high degree of comfort, frequent changes, or where hygiene presents a problem for re-use.

The new energized 303 earplug features yellow and white colour with a tapered shape for easy insertion and a smooth hygienic outer to eliminate irritation.

FEATURES

- Two sizes available to suit the majority of workers – small and large
- New yellow and white colours
- Tapered shape for easy insertion
- Smooth PVC-free hygienic outer surface

APPLICATIONS

- Any noise environment 100dB to less than 105dB
