

Adjustable Kernmantle Rope Lanyards with Energy Absorber

Product description

The Miller Adjustable Kern mantle Rope lanyards offer workers the flexibility to easily adjust the length of their lanyard to suit any fall arrest application.

FEATURES

- Allows the user to minimise fall risks by enabling them to adjust the lanyard to suit the job.
- Manufactured out of robust kernmantle rope for greater abrasion resistance.
- Maximum length of adjustment is 2m.
- Adjustable down to 850mm.
- Integral compact energy absorber expands smoothly for greater shock absorption.
- Also available in a 5m version
- Equipped with a label containing all relevant information including connection instructions and AS/NZS 1891.1:2007 certifications.

TECHNICAL INFORMATION

Manufactured from 11mm kernmantle rope
Weight-Please refer table below

APPLICATIONS

- Any work at height application
- Construction & Maintenance
- Work Positioning & Restraint Application

STANDARDS

Certified to Australian and New Zealand Standards AS/NZS 1891.1 - 2007.
