

Duraclean Surface Miner's Harness

Product description

The Miller Miner's harness is a full body harness with stainless steel hardware and aluminium quick connect buckles.

FEATURES

- Dorsal fall arrest d-ring and d-ring extension.
- Floating frontal fall arrest d-ring.
- Fully adjustable leg straps.
- Aluminium quick connect buckles on leg straps.
- Equipped with confined space loops.
- Equipped with a label pack housing all relevant harness information including donning instructions, connection instructions, AS/NZS 1891.12007 certification and inspection grid. The label pack is also equipped with an oversized pullfree lanyard ring enabling the user to temporarily park the lanyard.
- Manufactured from polyester webbing, the Duraclean webbing is treated with Rucostar E-coating which forms an invisible protective sleeve around the webbing preventing water, oil or dirt from being absorbed into the webbing. Duraclean special webbing with water and oil resistant properties offers many advantages over standard products. Duraclean webbing also offers good abrasion resistance in comparison to standard polyester webbing.

APPLICATIONS

- Mining
- Working at height in harsh environments

Technical Information

- Manufactured from black Duraclean webbing.
- Weight 1.78kg

STANDARDS

- Certified to AS/NZS 1891.1 2007
