

Duraclean Underground Miner's Stainless Steel Harness

Product description

The Miller® Miner's harness is a full body harness incorporating a prospector belt with tool loops and stainless steel hardware.

FEATURES

- Rear fall arrest d-ring and d-ring extension.
- Floating frontal fall arrest d-ring.
- Fully adjustable leg straps.
- Prospector Belt incorporating removable battery and self rescuer strap.
- Equipped with confined space Loops.
- Wider back-pad offering greater back support and stability.
- Equipped with a label pack housing all relevant harness information including donning instructions, connection instructions, AS/NZS 1891.1 2007 certification and inspection grid. The label pack is also equipped with an oversized pull-free lanyard ring enabling the user to temporarily park the lanyard.
- Replacement Battery Straps are available in sizes S (M1020168) and M/L (M1020169).
- Manufactured from polyester webbing, the Duraclean™ webbing is treated with Rucostar E-coating which forms an invisible protective sleeve around the webbing preventing water, oil or dirt from being absorbed into the webbing. Duraclean™ special webbing has water and oil resistant properties and offers many advantages over standard products. Duraclean™ webbing also offers good abrasion resistance in comparison to standard polyester webbing.
- Two relief steps offer support if the worker is suspended and cannot be rescued immediately.

APPLICATIONS

- Mining
- Underground working at height

Technical Information

- Manufactured from black Duraclean™ webbing.
- Weight 2.12kg

STANDARDS

- Certified to AS/NZS 1891.1 2007
