

# FALCON™+ EDGE SELF-RETRACTING LIFELINE

PRODUCT CODE: 1034052 / 1034054

Designed for performance in edge applications, Falcon Edge SRLs offer versatility, reliability, and maximum safety.

## FEATURES

- » Dual swivels at top of unit and on snap hook increase mobility and minimize lifeline from twisting during use
- » High impact resistant nylon housing withstands the toughest applications for increased durability to extend service life
- » Built-in, ergonomically-designed molded handle on 15m model provides easy installation and transportation
- » Unique side payout design reduces wear on the entry guide bushing and cable providing smooth operation with less drag to increase user mobility. Internal entry guide bushing and roller prevent cable from cutting into housing for increased durability
- » Integral shock absorber connected to the worker ensures the lifeline is kept intact if a fall were to occur over an edge
- » Ergonomic sealed shock absorber cover and robust handle including fall indicator
- » Durable design with corrosion resistant internal components extends service life and lowers cost of ownership
- » Repairable with quick turnaround time, lowering cost of ownership and increases productivity
- » Provides protection for all working at height situations – horizontal, vertical, mounted overhead, anchored at foot level and work near edges

## TECHNICAL INFORMATION

|                        |                                                                      |
|------------------------|----------------------------------------------------------------------|
| <b>Weight:</b>         | 4.5 kg / 7.5 kg                                                      |
| <b>Max. Weight:</b>    | up to 136 kg in all connections at foot level and above              |
| <b>Cable Length:</b>   | 6.2 m (1034052)<br>15 m (1034054)                                    |
| <b>Top Connectors:</b> | Karabiner & Swivel                                                   |
| <b>Bottom</b>          |                                                                      |
| <b>Connectors:</b>     | Galvanized Steel Snap Hook with Fall Indicator and Integrated Swivel |
| <b>Cable Material:</b> | Galvanized Steel                                                     |
| <b>Edge radius:</b>    | ≥ 0.5 mm                                                             |
