

Miller AirCore Rigger's Harness

Product description

The Miller AirCore Rigger's Harness is a lightweight full-body harness. Its specifically designed breathable, open-core padding technology provides optimal air flow, reduces heat and moisture entrapment and keeps the worker drier and cooler.

The patented Miller DuraFlex stretchable Duraclean webbing provides greater flexibility and increased comfort. The unique, quick operating cam buckles on the shoulder straps make the vertical webbing adjustments easy. The distinctive webbing design creates a vibrant style for easy identification and greater visibility.
