

Sync™ Digital AM/FM Radio

Product description

The Sync Radio Hi-Visibility earmuff provides workers with a total solution for hearing protection, worker motivation and visibility during the day and at night. Its eye-catching bright green ear cups provide a highly noticeable contrast against dark settings, especially in low lighting situations and inclement weather. Plus, Sync Radio Hi-Visibility incorporates an exclusive reflective headband that glows when exposed to light, providing increased visibility and safety on the job.

FEATURES

- Digital tuning with LCD display. Locks in your station.
- 10 pre-set channels.
- Volume Memory. No need to readjust each time you use the radio earmuff.
- Bright green earcups provide additional visibility and contrast on the job. They are ideal to wear at night, during the day and in low light.
- Bright green color does not fade when exposed to sunlight.
- Reflective textile headband material highly visible under light for increased visibility and safety, especially in low lighting.
- Textile avoids heat transmission common with plastic headbands
- AUX input can connect to MP3 players and other portable audio devices
- Includes 3.5 mm cable for connection
- FM Radio volume does not exceed 82dB
- AM/FM radio reception.
- Air Flow Control Technology™ provides higher attenuation across all noise frequencies, especially in low frequencies.
- Inner-ventilated headband provides better comfort, minimized pressure on head.
- Robust construction withstands rough treatment in the toughest environments.
- Headband setting remains fixed while wearing.
- Includes 2 AA batteries for 101 hours of use.

APPLICATIONS

- Noise environments between 105dB to less

Technical Details

Materials:	Headband - Textile Cup - PP (Polypropylene) Ear Cushion - PVC/PUR-E (Polyurethane)
Hygiene Kit:	Part # 1015280
Headband force:	11 newtons
Unit weight:	395g

Standards

- Approved to AS/NZS 1270:2002
- License number 1133-1
- SLC80 26dB Class 5
