

RU6500 Series Full Face Mask

Product Description

The Honeywell RU6500 reusable full face respirator is a redesign of the popular Sperial Survivair OptiFit™ Convertible full facepiece. The OptiFit Convertible has been re-engineered to accept the Legacy North, Honeywell cartridges, filters, and cartridge/filter combinations.

FEATURES

- Wide viewing area offers distortion free visibility and optical clarity.
- Polycarbonate lens with 200° field of vision
- Silicone nose cup offers a soft comfortable fit, ideal for all day use, and helps prevent lens fogging
- Silicone skirt offers exceptional durability and comfort.
- Enhanced 5 Strap head harness offers quick and easy adjustment
- Deeper threaded cartridge connector virtually eliminates accidental disconnections and worker exposure to contaminants
- Replaceable, impact resistant polycarbonate lens treated with anti-scratch coating.
- Available in three sizes (Small, Medium and Large)

Adaptable to many applications such as asbestos and lead abatement, pharmaceutical, biotechnology, metal fabrication, wood turning, agricultural spraying, and manufacturing.

Technical Details
