

HYPERSHOCK

SAFETY GLASSES

SCOPE
BY PIP®

PRODUCT DESCRIPTION

Hypershock™ eyewear delivers the ultimate combination of high-performance protection and aggressive sport inspired styling. The full frame design offers medium impact protection, with streamlined padded temples and a moulded nosepiece for a secure, comfortable fit.

- Provides a high level of comfort and exceptional fit whilst delivering high performance protection
- Hypershock™ polarised lens enhances fine detail and deep colours while reducing the oriented light that causes glare-minimising eye fatigue, strain and discomfort
- 100% dielectric, can be worn in environments where accidental exposure to electrical charge is possible
- Rugged design offering a stylish look workers will want to wear
