

PRISMESHIELD PLUS 12 CAL WEIGHT BALANCING FACE SHIELD WITH HAT

PRODUCT CODE: AS2000HAT-PP

SALISBURY
BY **PIP**

The Salisbury PrismShield™ Plus improves color recognition and general visibility compared to existing face shields – you can clearly see the difference.

FEATURES

- Double Curved Lense limits visual distortion and greatly reduces eye strain
- Nanotechnology improved shield transparency provides better visibility and colour recognition in poorly lit rooms
- Weight Balancing Frame an exclusive Salisbury feature that increases comfort by reducing neck strain for users
- Frameless Design increases viewing area by over 20%
- Venting allows usage for long periods of time
- 3 times more scratch resistant than the original PrismShield lens for an extended product life

STANDARDS

ASTM F2178 Standard test method for determining the arc rating and standard specification for eye or face protective products

ANSI Z87.1 +S Occupational and educational personal eye and face protection devices

NFPA 70E Standard for electrical safety in the workplace
