PRODUCT DESCRIPTION

The Fuse is a contemporary metal style spec with exceptional coverage. It features a tough optical 9-base wrap around lens for optimum vision. With a lightweight gunmetal frame, adjustable nosepads and soft flexible temple tips, Fuse is comfortable and durable for all-day wear. A great metal frame style at a knockout price.

- Affordably priced dielectric frame
- Soft adjustable nose bridge for comfort and grip
- Nickel free frame prevents skin reactions in those sensitive to nickel
- Distortion-free lenses with 1800 field of vision
- Hinge stoppers on temples prevent temple tips from touching lenses
- Includes adjustable break away retainer cord
- Options for indoor and outdoor applications
